BAE SYSTEMS

Introduction

The 2025 *FIRST*® Championship presented by BAE Systems will join thousands of students for the ultimate celebration of STEM (science, technology, engineering, and math) and innovation. This 2024-2025 season, *FIRST*® DIVESM presented by Qualcomm, encourages young people to explore life beneath the surface of the ocean and uncover their potential to strengthen their community and innovate for a better world with healthy oceans. The information in this event guide outlines our overall event goal to provide a unique, transformative experience for all teams, sponsors, volunteers, and supporters of *FIRST* in a fun and safe environment. Join us as we celebrate a future that's built better together at *FIRST* Championship. Get ready to have fun and be part of something extraordinary.

Accessibility at the Championship

If a team member needs ADA accessible seating, please request that during the Championship registration process. Each program will make available accessible seating that accommodates as many of the team members as possible. All Closing Celebration activities will be Closed Captioned.

Additional information about the different accessibility accommodations available at the event venues within the *FIRST* Championship Campus can be found in the link below for each venue.

App

Download the *FIRST* Championship App for interactive maps, personalized schedules, activities, team info, volunteer info, alerts, and more.

Block Party at Discovery Green

Wednesday, April 16, 2025 – Friday, April 18, 2025

The *FIRST* Championship Discovery Green Block Party is the outside extension of our campus. A variety of activities will be available throughout the week such as giant family and lawn games, Live Band Karaoke, Silent Disco and musical acts. Discovery Green is directly across from the George R. Brown Convention Center. A detailed schedule of activities will be available in the app.

Closing Celebration

Our closing celebration experience will bring together *FIRST*® LEGO® League Explore, *FIRST*® LEGO® League Challenge, *FIRST*® Tech Challenge, and *FIRST*® Robotics Competition celebrations under the roof of the George R. Brown Convention Center. Each program will have a custom experience, while a global broadcast throughout the convention center will keep attendees up to date on highlights from each program. All are invited to this joint Closing Celebration involving all programs. Please check the schedule for each program's ceremony time.

FIRST Championship Conferences

The *FIRST* Championship Conferences will be held Wednesday- Friday. The conference includes sessions and workshops on topics of interest to all members of the *FIRST* community in the following conference tracks:

- Discovery
- Innovation
- Impact
- Inclusion
- Teamwork

Sessions are either 15 or 45 minutes in length and will be held in rooms 340, 350 and 360 on the 3rd floor of the convention center. For a full list of conferences please download the app.

FIRST Programs

FIRST LEGO League Explore (grades K-4)

Elementary school kids are challenged to explore a STEM topic, then present what they learned with on their team journey through their team poster and a motorized LEGO team model. Sixty teams will present their findings at the *FIRST* LEGO League Explore Festival located in the Ballroom, Level 3 of the George R Brown Convention Center. For program-specific information in Houston, see [FIRST LEGO League Explore Addendum](#).

FIRST LEGO League Challenge (ages 9-16)

Friendly competition is at the heart of *FIRST* LEGO League Challenge, as teams of students ages 9-16 engage in research, problem-solving, coding and engineering – building and programming a LEGO robot that navigates the missions of the SUBMERGEDSM robot game. All activities will be held in Ballroom, Level 3 at the George R. Brown Convention Center, where you can see 108 teams work on their robots and compete. For program-specific information in Houston, see [FIRST LEGO League Challenge Addendum](#).

FIRST Tech Challenge (grades 7-12)

Middle and high school students have advanced from competitions around the country to compete on 12 x 12 foot playing fields with robots they have designed, programmed, and built themselves. 224 *FIRST* Tech Challenge teams will have their competition fields and pits (safety glasses provided and required) in the George R. Brown Convention Center, Level 3, Halls A & B. For program- specific information in Houston, see [FIRST Tech Challenge Addendum](#).

FIRST Robotics Competition (grades 9-12)

High school students from over 600 teams compete on special playing fields with robots they have designed, programmed, and built themselves. *FIRST* Robotics Competition Fields and pits (safety glasses provided and required) will be in the George R. Brown Convention Center Halls A – E, Level 1. Watch teams compete in this year's robotics challenge on eight playing fields. For program- specific information in Houston, see [FIRST Robotics Competition Addendum](#).

The *FIRST* Store is located on site on Level 1, outside Hall C.

Hours of Operation:

Date:	Open:	Close
Wednesday, April 16, 2025	6:00 AM	6:00 PM
Thursday, April 17, 2025	6:00 AM	6:00 PM
Friday, April 18, 2025	6:00 AM	6:00 PM
Saturday, April 19, 2025	6:30 AM	After Closing Ceremonies

Food

Concessions

There are concessions located within the convention center, with many food options around the George R. Brown Convention Center as well. Local food trucks will be around Discovery Green. [View a list of nearby restaurants.](#)

The food kiosks at the George R Brown Convention Center are **cashless and will only accept debit and credit cards.**

Staff will be set up on Level 1 (near our Main Registration) at a kiosk that will have the ability to accept cash and turn that into a GiveX card (a gift card that can be used at the food concessions and can use it throughout the week.)

Signage will be scattered on Level 1 and Level 3 letting people know, in addition to at the start of every concession so they see that notice before waiting in line.

The activation fee will be waived for these cards. They also will refund money that is still left on the card at the end of the event at those same kiosks, or they can keep the card with the money still loaded and will be able to use it next year.

Pre-Order Lunch

Pre-order lunches are available at the George R. Brown Convention Center. A map including the delivery location on Level 2 is included in the [lunch order form](#).

Health and Safety

All children under 12 must always be accompanied by an adult in the Pit area. Be aware of apparel and hair safety issues while working on your robot. Sandals, open-toed shoes, and Crocs are not allowed in the Pits, fields, or other teamwork areas. Wear relaxed, fun and appropriate clothing; remember, you represent your team and *FIRST*. Body paint in lieu of clothes, bathing suits and other revealing clothes are not appropriate. Face coverings and vaccinations are not required but are recommended. If you are feeling ill, please do not attend the event.

Mascots

Please keep safety in mind and make sure that mascot and team costumes are safe for the wearer as to vision and movement and are comfortable and cool enough to prevent fainting and dehydration. Mascots are not allowed on the playing field.

Medical Incidents

FIRST requires that physical injuries and medical problems, however slight, be documented and reported to the party conducting the event or his or her designee and to *FIRST* Headquarters within 48 hours of the occurrence. Medical incidents can be reported electronically from any Wi-Fi enabled device using the Medical Incident Form on the [FIRST Reporting Portal](#). Pit Admins have tablets that can be utilized to report incidents to *FIRST*.

Reporting Youth Protection and Youth Safety Concerns

The Youth Protection Concern form on the [FIRST Reporting Portal](#) can be used to report concerns related to Youth Protection and Youth Safety that do not involve medical incidents or physical injuries, such as bullying, harassment or inappropriate conduct involving or impacting youth participants. Feedback about issues such as game play, rule changes, awards, and event management (other than medical/safety issues) are considered program related concerns and not youth protection issues and should be shared with *FIRST* via customerservice@firstinspires.org. Please note that match results and award results are final and that we will not review match videos.

Safety Glasses

Safety Glasses are required to be worn by everyone while in the *FIRST* Robotics Competition and *FIRST* Tech Challenge Pit Area. Safety Glasses are available for spectators at major Pit Entrances for these programs, but teams should plan to bring their own.

Security

Be sure to keep valuable items with you always or placed in a lockable compartment in your Pit station. *FIRST* and the George R. Brown Convention Center do not guarantee security of personal items. We strongly recommend that you do not leave behind valuable items in your Pits at any time, such as personal computers, cell phones, cameras, etc. You can report any lost items to the Event Information Desk (see Lost and Found).

Remember, the Pits are open to the public. Please take proper security measures to protect your valuable items.

Nursing Room

A Nursing Room is available in in room 352D, Level 3 of the GRB. This amenity offers a clean and comfortable room for traveling mothers to nurse, use a breast pump or care for young children. The Nursing Room features a table and comfortable seating. Please bring all supplies to effectively sanitize and disinfect this space before and after each use.

Registration and Badging

Please be ready to present your ID when picking up your badge.

Check-In

FIRST requires every Championship attendee to be registered and badged, including adult team mentors, youth team members, parents, family members, chaperones, etc. who are participating in the event. Attendee registration grants access to participant-only activities and increases the security of the event. We strongly encourage your team to complete attendee badging prior to your arrival, as this will expedite your team's attendee badge collection and your entrance to the event.

Consent and Release Forms

All participating team members and volunteers must complete the current season *FIRST* Consent and Release form prior to arrival.

Venue and Local Information

Houston, our gracious host city, is excited to welcome 50,000 people from around the world who will join us for the ultimate celebration of STEM and innovation. In 2024, the City of Houston hosted the largest *FIRST* Championship event to date, with approximately 50,000 attendees from more than 50 countries. The 2025 *FIRST* Championship will continue our focus on providing a welcoming and fun space for the *FIRST* community to gather and celebrate our season.

Campus Locations

The *FIRST* Championship Event is a multiple point campus, which will include four venues/spaces:

George R Brown Convention Center

FIRST® LEGO® League Explore, *FIRST*® LEGO® League Challenge, *FIRST*® Tech Challenge, *FIRST*® Robotics Competition, *FIRST*® Championship Conferences, the *FIRST*® Store, and the Innovation Faire including Scholarship Row. Parking

[Surface Lot & Garage Parking](#) is available around the George R. Brown Convention Center.

Restrooms

Gender-neutral accommodations available. Locations of these restrooms can be found on the *FIRST* Championship Campus Map located in the App or in the accessibility information links above.

Shipping

The George R. Brown Convention Center cannot accept shipments directly. For robot shipping please refer to the program addendums.

Wireless

Free wireless internet access is available in the common areas of the George R. Brown Convention Center. This access is not available on the Pit floor or in the playing field areas of the George R. Brown Convention Center. When not actively using your Wi-Fi, please switch off your Wi-Fi and personal hotspots to benefit robot performance.

Due to the wireless nature of *FIRST* control systems, wireless availability will be evaluated during the event. Teams will not be allowed to set up their own wireless networks at the Championship. While we certainly appreciate the positive potential team-created wireless networks could represent, there is a chance such wireless networks could interfere with planned activities during the event.

Volunteers

As part of our global robotics community, *FIRST* volunteers build and bolster millions of young people to embrace innovation and collaboration. At the 2025 *FIRST* Championship, you will work side by side with *FIRST* participants from around the world to help build their leadership and problem-solving skills and, their sense of belonging and self-confidence, and most importantly, help them have fun! Join us for the ultimate innovation celebration and build up and inspire the next generation of changemakers.
